The Time Trial will be held in Picacho Arizona, conveniently located halfway between Tucson and Phoenix. We will have the first rider off at 8:00 a.m. For those racers who are racing the Omnium you should have at least 3 hours from **finishing** your TT before the start of your crit. The drive to the crit should take one hour.

The TT course has virtually no traffic and we have secured a large staging area on private property that will allow for parking, registration and warm up all in a safe, out of traffic area, still very close to the start/finish area. On this date there will be only the 20 K distance so the entire course is on good surface with one turn around.

While vehicular traffic is low **racers must still stay to the right side of the road!** There will be race officials on the course to enforce this rule! There will be no warming up on course after the first rider has started.

From Tucson: Take I-10 and Exit #212, turn left and continue on S Picacho Hwy to staging area at 18760 S Picacho Hwy. The staging area will be on the right.

From Phoenix: Take I-10 and Exit # 211A, continue south to S Picacho Hwy and turn right to 18760 Picacho Hwy. The staging area will be on the right.
